## CONNECTING WITH STUDENTS AFTER MIDTERMS

CONTACT STUDENTS

Send an email to students with a C- or lower, or students who are missing class. Invite them to office hours or set up a 1:1 meeting.

2 INCENTIVIZE OFFICE HOURS

If office hours are getting low attendance, offer an incentive such as a homework extension, extra credit, or a dropped lowest grade for attending.

ENRICH ASSIGNMENT FEEDBACK

Try the video or audio feedback option on Moodle assignments.

CONNECT STUDENTS TO RESOURCES

Fill out an EAT report or refer students to specific resources: <a href="learning-center">learning center</a>
